The NCCA (Nashville City Cemetery Association) has worked closely with the Metro Historical Commission to restore the cemetery and to increase awareness through public participation. NCCA is involved with sponsoring special tours, open and free to the public, the Annual Living History Tour and in developing the NCCA web site to make available inscriptions and photographs of tombstone. interment records, obituaries and historical information for those buried at City Cemetery. This app is now available for your convenience for your own personal use to use at the cemetery or the convenience of your home..
